FEENEY MINE CERTIFICATE BILL PASSED WITHOUT DISSENTING VOTE

Measure Designed to Reduce Number of Accidents in Mines of Bituminous Region

MAKES SPEECH ON FLOOR

Explains Reasons Why Measure Should go Through---Holland and Bentley Bills Finally Passed

(Special Correspondence.)

Harrisburg, May 4—With a stirring speech, that not only demonstrated that he was master of the situation but placed him to the front as the recognized labor leader of the House, yesterday. The surprising feature Assemblyman Feeney got his mine certificate bill through the House was that while 180 votes were for the bill, none were registered against it. This unanimous verdict is a testimonial to the efforts and efficiency of Mr. Feeney, the sponsor of the measure.

Very little oposition to the measure was heard and what there was died quickly when Mr. Feeney took the floor and briefly explained the need for the law.

The measure is similar to the law which has long been in force in the hard coal region. Mr. Feeney has made a successful fight for it because no reasonable argument could be opposed. He holds that the law will reduce the number of mine accidents, as it is notoriously known that ignorant and careless miners are responsible for most of the killings which have marred the industry in the soft coal field.

Mr. Feeney also says the law will protect the skilled and experienced miners in their jobs wherever unscrupulous operators seek to reduce wages by the expedient of importing trainloads of ignorant and inexperienced men.

The Holland bill authorizing counties to pay the State taxes on road improvement bonds and the Feeney bill fixing the salaries of the clerks in the department of mines were passed finally by the Senate and now go to the Governor.

The house passed finally the Bentley bill requiring vehicles to turn to the right in meeting and to the left in passing from behind. Originally it provided in addition, that all vehicles must carry lights at night.

John is alleged not only to have threatened violence to his wife, but also to have terrorized the neighborhood of his home for a while yesterday.

PLAY FIRST REAL GAME

Champion Episcopals Win Opener From Doughty Christians

HAVE GARRISON FINISH

There was a slam-bang performance down at the ball lot Wednesday on the occasion of the first real game of the season in the Charleroi Church Baseball league. The champion Episcopals and the doughty Christians fought it out, but the former team proved the best slam-bangers, and consequently have 1000 per cent chalked up after their name today.

Affairs started off wicked for the Christians. The game hadn't progressed an inning, until the score board showed the second integer standing after the name Episcopals, contrasting the big round cipher in the Christian column. The next inning a big black one showed. That made three. The Christians held themselves aloof until the fourth session. Vernom made a motion for one base, and this motion was seconded by Mathers. Then Chuck Davis came up and banged one to right, and while they were looking for the ball two runs came across. With Joliffe safe on a fielder's choice, Furnier hit and Davis and Jolly ran for shelter at home. These four runs ended the Christians scoring

Stech came up in the seventh for the Episcopals and just couldn't miss the ball. Briggs hit. Stech had by this time swiped second, and Briggs single placed him in the clear. Then Johnson tried to strike out but instead singled, and Kuhn was safe on a fielder's choice. Guder tucked his three base bat under his mighty arm and walked to the plate. Center field was his choice. Meanwhile scores came in with reasonable regularity. After while a man did strike out, and Guder scored on an error. Crumrine was safe on an error, then Hott hit the ozone three mighty swipes, and Roberts was safe on an error. Base stealing became a pas-

Vandals Work Havoc in Town

Tear Down Sign and Scratch Big Plate Glass Window of Store Fronts

Vandals last night cut and ripped the large red sign which Jacob Schwartz has in front of his store on Fallowfield avenue, announcing a sale. Holes were cut in the sign and it was mutilated until it will probably have to be removed.

A few nights ago one of the large plate glass windows in the front of W. B. Pfleghardt's furniture store on Fallowfield avenue was scratched its entire breadth, evidently with a diamond.

Originial "Can't Remember" Man Forgets All About Assaulting Friend

Professed lack of knowledge of assault and battery with which he was charged by Frank Eagle, did not prevent Snyder Conway, of Elco, from getting a sentence of 30 days in jail Wednesday. Eagle stated at a hearing before Justice of the Peace E. E. Rice that Conway, who had been a good friend in the past, had attacked him, knocked him down and generally beaten him up recently, without any cause whatever. Conway said he did not remember having attacked Eagle, and admitted that he was his friend.

WILSON TO GIVE TALK

Noted Lecturer Engaged by Baracca Class for Sunday

AT THE CHRISTIAN CHURCH

Under the auspices of the Baracca class of the Christian Sunday School, O. M. Wilson, Esq., of Pittsburg will give a religious talk at the First Christian church next Sunday evening at 8 o'clock on the subject, "The Big Swindle." The Baracca class, of which J. D. Berryman is the teacher, will have entire charge of the services. The Washington Avenue Presbyterian Boys' Brigade will sing.

Mr. Wilson is the former pastor of one of the largest churches in Braddock, and ranks among the best orators of the country, and is not unknown to Charleroi people having preached at the Washington Avenue Presbyterian church on different occasions. The Baracca class is making special endeavors to have the church crowded on Sunday evening, assuring those who attend something worth while.

WILL PLAY OFF TIE GAME ON WEDNESDAY

The tie game of Tuesday evening, May 2, between the Washington Avenue and Baptist teams, has been scheduled for Wednesday evening, May 10, by order of the schedule committee.

It has been deemed advisable owing to the fact that it would be a practical impossibility to place the grounds in condition in time for the game of next Monday evening, on account of the visit on Saturday of Forepaugh & Sells Bros. Circus, to postpone the game scheduled for that date to Wednesday May 31.

Project to Spend $500,000 on Highway Improvements to be Considered

NEW BRIDGE PROJECTED

Structure at West Brownsville Will Require Another Big Expenditure---Other Matters Need Attention

Advices from the county seat are to the effect that the grand jury next week is expected to approve the petitions of the commissioners for both the road improvements asked for, and the bond issue of $500,000 to finance the same. In addition to these some bridge matters are to come up. These involve the expenditure of $200,000 for the proposed new bridge at West Brownsville, besides a number of other bridge projects throughout the county.

It is expected at least four days of next week will be devoted to the consideration of road, bridge and bond affairs. So many delegations of citizens from various parts of the county have been visiting the county seat importuning the commissioners for road improvements in their respective districts, that the board evidently has decided to go the limit and spend all the money the law allows them to on roads, regardless of future considerations, or what the State may do in taking the burden from the counties in the matter of road construction. It is stated that some of the roads the commissioners are asking the grand jury to approve for county improvement are in the State plan for highway improvement. One of these is said to be the old ten-mile plank road and another is said to be the Pike Run road, which is in the State plan for connecting Greensburg and Waynesburg. Just why these roads are taken over by the county if the State proposes to improve them is not learned.

As the commissioners have had difficulty in selling 4 per cent bonds, they pin their faith in a new Legislative measure to float the $500,000 issue if the grand jury approves it. This measure gives the county permission to float the bonds at 5 per cent, instead of 4 per cent as provided by the Flinn law. The Holland bill also permits the county to pay the 4-mill State tax on bonds. The fact that the increased rates and the State tax will come off the county taxpayers does not seem to be considered as an economic problem.

COMPLAINTS MADE OF STREET LOAFING

Complaints have been made by some of the business men recently about loafing in front of doorways and in front of stores and spitting onsidewalks. It is alleged that a favorite resting place is in the store entrances, and that tobacco juice is squirted recklessly from this point of vantage, to the great annoyance of the store keepers. Scratching plate glass windows is another piece of vandalism complained of recently.

NO HOODLUMISM.

Although unfavorable weather marked the opening of the Church League Baseball season in Charleroi the size of the audience present indicates that the game as presented by this organization will be more popular than ever. The willingness of the players to devote their services free of charge and to abide by the regulations for the purpose of promoting a clean and healthy sport, together with the action of the officials and pastors of the various churches, denotes a spirit of civic unity that is healthful for any community, which will no doubt have far-reaching effects.

In order to maintain and promote this spirit it is essential that the audiences observe the same strict deportment that is required from the players, Every individual should make it a point of honor to refrain from any unbecoming conduct while the game is in progress. There is ample means for giving vent to enthusiasm and loyalty without becoming abusive, and this code should be rigidly observed throughout the season. It will encourage the players as well as give dignity and standing to the organization.

THE BOND ISSUE.

One of the matters to be discussed at the meeting of the Charleroi Business Men's Association tonight is the proposed bond issue for borough street and other municipal improvements. If the voters so will, Charleroi can do as much if not more street paving than has already been done, without materially raising the rate of taxation. It is stated on good authority that council stands ready to make the move for the proposed bond issue if the citizens favor it, but they do not want to take the initiative until there is a pronounced public sentiment in favor of the project.

The object of bringing the matter up before the Business Men's Association tonight is for the purpose of discussing the project, and presenting its advantages. Council cannot well act until there are petitions from property holders along the various streets it is desired to pave. This should be done at once if it is desired to make any improvements this season. Therefore all who are interested in the project are requested to attend the meeting tonight in order to learn more about the matter.

PICKED UP IN PASSING

In the May number of Pearson's Magazine, Christy Mathewson, the premier twirler of the New York National League baseball club, contributes an interesting article entitled "Outguessing the Batter," which is of local interest, as it gives some valuable pointers in mound generalship which might be adopted with profit by any of the twirlers of the Charleroi Church League. Mathewson, who has ranked as the king of all pitchers for some years, owes his great success to the generalship he displayes, as well as his magnificient physical qualifications.

Mathewson's psychological size-up of batters is one of the secrets of his success, and by the exercise of this quality he is enabled to fool the most foxy of the veterans. For instance when Mathewson was young in the profession he depended largely on his drop ball, which was a hard one for the average batter to hit. One day he faced Jesse Burkett, one of the best hitters in the league, and fed him a low drop. Burkett connected with the ball and drove it to the center field fence. Then he "kidded" Mathewson about his low drop. The latter knew instinctively that thereafter Burkett would always be "laying" for a low drop and he always after that gave him fast high ones, with the result that Burkett never got another hit that season off his delivery. Another time Mathewson struck out the veteran Cy Seymour three times in one game by simply throwing three slow balls straight over the pan. Mathewson reasoned that Seymour would expect something different each time, as few pitchers care to take chances on an experienced batter without "mixing 'em up," and was correct in his dope. Seymour never dreamed that a pitcher would have the nerve to give him three of a kind, and was fooled.

Speaking of Hans Wagner, of the Pittsburg National League team, who has been a frequent visitor to Charleroi and played often on the local grounds Mathewson says:

"I have pitched against Hans Wagner for many years, and though I have been fortunate to fool him many times I always charge these occasions to good luck. I know that he can hit anything that I can pitch to him, or anything that anybody can pitch to him, and hit it into the middle of next week. There is no such thing as outguessing a batter of the Wagner type, and I am glad there aren't many of them."

One time after the close of the season Mathewson went with Frank Bowerman, then crack catcher of the New York Nationals, to the latter's home at Romeo, Michigan. They were prevailed upon to do the battery work for the village team in a game with a rival town, and they got everlastingly trimmed, being beaten by a score of 5 to 0

"I don't just know how they managed it," says Mathewson, "because I was in perfect trim at the time. I had everything as we say in profes sional circles, and they hit everything I had. I didn't mind it much myself, but felt sorry for poor Bowermman. He had to keep on living there, and I didn't."

Mathewson then goes on to say that the best pitchers living have at times received bumps from sources so humble that their false esteem has vanished like the srows of last season.

How Old People May Prolong Their Lives

At advanced age the organs act more slowly than in youth. Circulation becomes poor, blood thin and watery, appetite fitful, and digestion weak. This condition leaves the system open to disease such as Coughs, Colds, Grippe, Pneumonia, Rheumatism, etc.

VINOL is the greatest health creator and body builder we know of for old people, as it supplies the very elements needed to rebuild wasting tissue and replace weakness with strength.

HERE IS THE PROOF

A case is recorded in Albany, N. Y., of a woman who felt she was breaking down by age and was doomed to the weak and feeble condition of old people. She had no strength and the slightest exertion tired her, but VINOL made her well and strong, and she states that she feels ten years younger than she did before taking VINOL.

We ask every aged person in this neighborhood to try a bottle of VINOL with the understanding that we will return their money if it does not prove beneficial.

YOUR KIDNEYS NEED CLEANING

Every Person, Healthy or Unhealthy, Ought to Give the Kidneys a Thorough Cleaning Right Now

You clean your teeth daily. You wouldn't think of doing otherwise, and yet the teeth are not one-tenth so important to health, strength and a long life as the kidneys.

Do you know that the kidneys are little strainers or fine sieves, through which every drop of blood in the body passes again and again

And when the kidneys become clogged they are unable to strain the impure matter from the blood, and it stays in the blood and causes disease in various parts of the body. Take rheumatism, for instance, this terrible disease is caused by uric acid in the blood, and uric acid gets into the blood only when the kidneys are clogged up and are unable to properly strain the impurities.

Just go to Hennings today and get a bottle of Thompson's Barosma, the most scientific kidney, liver and bladder regulator the world has ever known, take it regularly for two weeks, and all the impure matter in your kidneys will pass out through the bladder, and your kidneys will be as pure and clean and healthy as any kidneys can be.

Thompsons Barosma is guaranteed by W. F. Henning to cure all diseases of the kidneys, liver and bladder, or money back. It is a wonderful tonic and blood purifier, and will bring the glow of health to the cheeks of the sick in a short time. 50 cents and $1.00 a bottle. All Druggists.

PARISIAN BUTTERFLY ACT IN BIG SHOW

The "Human Butterfly" act, the wonderful French aerial spectacle which originated in Paris last winter is to be seen in Charleroi on Saturday, May 6, with the Adam Forepaugh and Sells Brothers' circus. It is the most beautiful and the most daring high-air performance ever seen in America It cost the management of the circus more money than was ever before paid for a single act.

The Ty-Bell sisters, the three most beautiful women before the public, are the originators of the act. They are the ones who are presenting it in this country. It is in every way different from aerial acts seen in the past. The three girls are suspended from the dome of the tent by means of thread-like cords of steel. To these they cling merely by the use of their teeth. Through the medium of invisible mechanism above them they are made to circle, dart and fly through space with the grace and the skill of birds, while a battery of calcium and electric spotlights play upon their long silken robes and wings of white spun glass with streams of fantastic color.

There is ethereal beauty and sublime splendor to the act that is entrancing to beholders. The great danger and risk of life that the performnce envolves give it a thrill and dramatic interest that is intense. The element of suspense is present throughout the entire act. It is a thriller of the most pronounced kind which does not need any grewsome and ugly incline structure to give it effect. It is dangerous enough to satisfy the most morbid minded, while its spectacular beauty never fails to delight the fancy of the most delicate woman.

Prominent among other aerialists are the famous Alpine troupe, the Ortaney sisters, the Richards sisters, the two Franks, Fred Lasere, the La Fayette family, the Minerva sisters, the three Alvos, the Elliott family, the Flying Runions, the Eight Jernsens, and the famous Taylor-Hut tons. There are many more on the list. Each one of them a picked star performer. The same care has been exercised in the selection of the acrobats, the gymnasts, the jugglers, the equestrians and the hippodrome contestants.

FEENEY MINE CERTIFICATE BILL PASSED WITHOUT DISSENTING VOTE

Measure Designed to Reduce Number of Accidents in Mines of Bituminous Region

MAKES SPEECH ON FLOOR

Explains Reasons Why Measure Should go Through---Holland and Bentley Bills Finally Passed

(Special Correspondence.)

Harrisburg, May 4—With a stirring speech, that not only demonstrated that he was master of the situation but placed him to the front as the recognized labor leader of the House, yesterday. The surprising feature Assemblyman Feeney got his mine certificate bill through the House was that while 180 votes were for the bill, none were registered against it. This unanimous verdict is a testimonial to the efforts and efficiency of Mr. Feeney, the sponsor of the measure.

Very little oposition to the measure was heard and what there was died quickly when Mr. Feeney took the floor and briefly explained the need for the law.

The measure is similar to the law which has long been in force in the hard coal region. Mr. Feeney has made a successful fight for it because no reasonable argument could be opposed. He holds that the law will reduce the number of mine accidents, as it is notoriously known that ignorant and careless miners are responsible for most of the killings which have marred the industry in the soft coal field.

Mr. Feeney also says the law will protect the skilled and experienced miners in their jobs wherever unscrupulous operators seek to reduce wages by the expedient of importing trainloads of ignorant and inexperienced men.

The Holland bill authorizing counties to pay the State taxes on road improvement bonds and the Feeney bill fixing the salaries of the clerks in the department of mines were passed finally by the Senate and now go to the Governor.

The house passed finally the Bentley bill requiring vehicles to turn to the right in meeting and to the left in passing from behind. Originally it provided in addition, that all vehicles must carry lights at night.

PLAY FIRST REAL GAME

Champion Episcopals Win Opener From Doughty Christians

HAVE GARRISON FINISH

There was a slam-bang performance down at the ball lot Wednesday on the occasion of the first real game of the season in the Charleroi Church Baseball league. The champion Episcopals and the doughty Christians fought it out, but the former team proved the best slam-bangers, and consequently have 1000 per cent chalked up after their name today.

Affairs started off wicked for the Christians. The game hadn't progressed an inning, until the score board showed the second integer standing after the name Episcopals, contrasting the big round cipher in the Christian column. The next inning a big black one showed. That made three. The Christians held themselves aloof until the fourth session. Vernom made a motion for one base, and this motion was seconded by Mathers. Then Chuck Davis came up and banged one to right, and while they were looking for the ball two runs came across. With Joliffe safe on a fielder's choice, Furnier hit and Davis and Jolly ran for shelter at home. These four runs ended the Christians scoring

Stech came up in the seventh for the Episcopals and just couldn't miss the ball. Briggs hit. Stech had by this time swiped second, and Briggs single placed him in the clear. Then Johnson tried to strike out but instead singled, and Kuhn was safe on a fielder's choice. Guder tucked his three base bat under his mighty arm and walked to the plate. Center field was his choice. Meanwhile scores came in with reasonable regularity. After while a man did strike out, and Guder scored on an error. Crumrine was safe on an error, then Hott hit the ozone three mighty swipes, and Roberts was safe on an error. Base stealing became a pas-

Conway said he did not remember having attacked Eagle, and admitted that he was his friend.

WILSON TO GIVE TALK

Noted Lecturer Engaged by Baracca Class for Sunday

AT THE CHRISTIAN CHURCH

Under the auspices of the Baracca class of the Christian Sunday School, O. M. Wilson, Esq. of Pittsburg will give a religious talk at the First Christian church next Sunday evening at 8 o'clock on the subject, "The Big Swindle." The Baracca class, of which J. D. Berryman is the teacher, will have entire charge of the services. The Washington Avenue Presbyterian Boys' Brigade will sing.

Mr. Wilson is the former pastor of one of the largest churches in Braddock and ranks among the best orators of the country, and is not unknown to Charleroi people having preached at the Washington Avenue Presbyterian church on different occasions. The Baracca class is making special endeavors to have the church crowded on Sunday evening, assuring those who attend something worth while.

WILL PLAY OFF TIE GAME ON WEDNESDAY

The tie game of Tuesday evening, May 2, between the Washington Avenue and Baptist teams, has been scheduled for Wednesday evening, May 10, by order of the schedule committee.

It has been deemed advisable owing to the fact that it would be a practical impossibility to place the grounds in condition in time for the game of next Monday evening, on account of the visit on Saturday of Forepaugh & Sells Bros. Circus, to postpone the game scheduled for that date to Wednesday May 31.

Project to Spend $500,000 on Highway Improvements to be Considered

NEW BRIDGE PROJECTED

Structure at West Brownsville Will Require Another Big Expenditure---Other Matters Need Attention

Advices from the county seat are to the effect that the grand jury next week is expected to approve the petitions of the commissioners for both the road improvements asked for, and the bond issue of $500,000 to finance the same. In addition to these some bridge matters are to come up. These involve the expenditure of $200,000 for the proposed new bridge at West Brownsville, besides a number of other bridge projects throughout the county.

It is expected at least four days of next week will be devoted to the consideration of road, bridge and bond affairs. So many delegations of citizens from various parts of the county have been visiting the county seat importuning the commissioners for road improvements in their respective districts, that the board evidently has decided to go the limit and spend all the money the law allows them to on roads, regardless of future considerations, or what the State may do in taking the burden from the counties in the matter of road construction. It is stated that some of the roads the commissioners are asking the grand jury to approve for county improvement are in the State plan for highway improvement. One of these is said to be the old ten-mile plank road and another is said to be the Pike Run road, which is in the State plan for connecting Greensburg and Waynesburg. Just why these roads are taken over by the county if the State proposes to improve them is not learned.

As the commissioners have had difficulty in selling 4 per cent bonds they put in their faith in a new Legislative measure to float the $500,000 issue if the grand jury approves it. This measure gives the county permission to float the bonds at 5 per cent, instead of 4 per cent as provided by the Flinn law. The Holland bill also permits the county to pay the 4-mill State tax on bonds. The fact that these increased rates and the State tax will come off the county taxpayers does not seem to be considered as an economic problem.

COMPLAINTS MADE OF STREET LOAFING

Complaints have been made by some of the business men recently about loafing in front of doorways and in front of stores and spitting onsidewalks. It is alleged that a favorite resting place is in the store entrances, and that tobacco juice is squirted recklessly from this point of vantage, to the great annoyance of the store keepers. Scratching plate glass windows is another piece of vandalism complained of recently.

Eye Headache

I think my large business is the result of not merely trying to sell glasses. I advise a third of the people I examine not to wear them.

Headaches come from poor eyes. They come as well from 99 other causes.

I can tell whether or not your headache is due to eye strain.

NO HOODLUMISM.

Although unfavorable weather marked the opening of the Church League Baseball season in Charleroi the size of the audience present indicates that the game as presented by this organization will be more popular than ever. The willingness of the players to devote their services free of charge and to abide by the regulations for the purpose of promoting a clean and healthy sport, together with the action of the officials and pastors of the various churches, denotes a spirit of civic unity that is healthful for any community, which will no doubt have far-reaching effects.

In order to maintain and promote this spirit it is essential that the audiences observe the same strict deportment that is required from the players, Every individual should make it a point of honor to refrain from any unbecoming conduct while the game is in progress. There is ample means for giving vent to enthusiasm and loyalty without becoming abusive, and this code should be rigidly observed throughout the season. It will encourage the players as well as give dignity and standing to the organization.

THE BOND ISSUE.

One of the matters to be discussed at the meeting of the Charleroi Business Men's Association tonight is the proposed bond issue for borough street and other municipal improvements. If the voters so will, Charleroi can do as much if not more street paving than has already been done, without materially raising the rate of taxation. It is stated on good authority that council stands ready to make the move for the proposed bond issue if the citizens favor it, but they do not want to take the initiative until there is a pronounced public sentiment in favor of the project.

The object of bringing the matter up before the Business Men's Association tonight is for the purpose of discussing the project, and presenting its advantages. Council cannot well act until there are petitions from property holders along the various streets it is desired to pave. This should be done at once if it is desired to make any improvements this season. Therefore all who are interested in the project are requested to attend the meeting tonight in order to learn more about the matter.

PICKED UP IN PASSING

In the May number of Pearson's Magazine, Christy Mathewson, the premier twirler of the New York National League baseball club, contributes an interesting article entitled "Outguessing the Batter," which is of local interest, as it gives some valuable pointers in mound generalship which might be adopted with profit by any of the twirlers of the Charleroi Church League. Mathewson, who has ranked as the king of all pitchers for some years, owes his great success to the generalship he displayes, as well as his magnificient physical qualifications.

Mathewson's psychological size-up of batters is one of the secrets of his success, and by the exercise of this quality he is enabled to fool the most foxy of the veterans. For instance when Mathewson was young in the profession he depended largely on his drop ball, which was a hard one for the average batter to hit. One day he faced Jesse Burkett, one of the best hitters in the league, and fed him a low drop. Burkett connected with the ball and drove it to the center field fence. Then he "kidded" Mathewson about his low drop. The latter knew instinctively that thereafter Burkett would always be "laying" for a low drop and he always after that gave him fast high ones, with the result that Burkett never got another hit that season off his delivery. Another time Mathewson struck out the veteran Cy Seymour three times in one game by simply throwing three slow balls straight over the pan. Mathewson reasoned that Seymour would expect something different each time, as few pitchers care to take chances on an experienced batter without "mixing 'em up," and was correct in his dope. Seymour never dreamed that a pitcher would have the nerve to give him three of a kind, and was fooled.

Speaking of Hans Wagner, of the Pittsburg National League team, who has been a frequent visitor to Charleroi and played often on the local grounds Mathewson says:

"I have pitched against Hans Wagner for many years, and though I have been fortunate to fool him many times I always charge these occasions to good luck. I know that he can hit anything that I can pitch to him, or anything that anybody can pitch to him, and hit it into the middle of next week. There is no such thing as outguessing a batter of the Wagner type, and I am glad there aren't many of them."

One time after the close of the season Mathewson went with Frank Bowerman, then crack catcher of the New York Nationals, to the latter's home at Romeo, Michigan. They were prevailed upon to do the battery work for the village team in a game with a rival town, and they got everlastingly trimmed, being beaten by a score of 5 to 0

"I don't just know how they managed it," says Mathewson, "because I was in perfect trim at the time. I had everything as we say in professional circles, and they hit everything I had. I didn't mind it much myself, but felt sorry for poor Bowerman. He had to keep on living there, and I didn't."

Mathewson then goes on to say that the best pitchers living have at times received bumps from sources so humble that their false esteem has vanished like the snows of last season.

How Old People May Prolong Their Lives

At advanced age the organs act more slowly than in youth. Circulation becomes poor, blood thin and watery, appetite fitful, and digestion weak. This condition leaves the system open to disease such as Coughs, Colds, Grippe, Pneumonia, Rheumatism, etc.

VINOL is the greatest health creator and body builder we know of for old people, as it supplies the very elements needed to rebuild wasting tissue and replace weakness with strength.

HERE IS THE PROOF

A case is recorded in Albany, N. Y., of a woman who felt she was breaking down by age and was doomed to the weak and feeble condition of old people. She had no strength and the slightest exertion tired her, but VINOL made her well and strong, and she states that she feels ten years younger than she did before taking VINOL.

We ask every aged person in this neighborhood to try a bottle of VINOL with the understanding that we will return their money if it does not prove beneficial.

YOUR KIDNEYS NEED CLEANING

Every Person, Healthy or Unhealthy, Ought to Give the Kidneys a Thorough Cleaning Right Now

You clean your teeth daily. You wouldn't think of doing otherwise, and yet the teeth are not one-tenth so important to health, strength and a long life as the kidneys.

Do you know that the kidneys are little strainers or fine sieves, through which every drop of blood in the body passes again and again

And when the kidneys become clogged they are unable to strain the impure matter from the blood, and it stays in the blood and causes disease in various parts of the body. Take rheumatism, for instance, this terrible disease is caused by uric acid in the blood, and uric acid gets into the blood only when the kidneys are clogged up and are unable to properly strain the impurities.

Just go to Hennings today and get a bottle of Thompson's Barosma, the most scientific kidney, liver and bladder regulator the world has ever known, take it regularly for two weeks, and all the impure matter in your kidneys will pass out through the bladder, and your kidneys will be as pure and clean and healthy as any kidneys can be.

Thompsons Barosma is guaranteed by W. F. Henning to cure all diseases of the kidneys, liver and bladder, or money back. It is a wonderful tonic and blood purifier, and will bring the glow of health to the cheeks of the sick in a short time. 50 cents and $1.00 a bottle. All druggists.

PARISIAN BUTTERFLY ACT IN BIG SHOW

The "Human Butterfly" act, the wonderful French aerial spectacle which originated in Paris last winter is to be seen in Charleroi on Saturday, May 6, with the Adam Forepaugh and Sells Brothers' circus. It is the most beautiful and the most daring high-air performance ever seen in America It cost the management of the circus more money than was ever before paid for a single act.

The Ty-Bell sisters, the three most beautiful women before the public, are the originators of the act. They are the ones who are presenting it in this country. It is in every way different from aerial acts seen in the past. The three girls are suspended from the dome of the tent by means of thread-like cords of steel. To these they cling merely by the use of their teeth. Through the medium of invisible mechanism above them they are made to circle, dart and fly through space with the grace and the skill of birds, while a battery of calcium and electric spotlights play upon their long silken robes and wings of white spun glass with streams of fantastic color.

There is ethereal beauty and sublime splendor to the act that is entrancing to beholders The great danger and risk of life that the performace envolves give it a thrill and dramatic interest that is intense. The element of suspense is present throughout the entire act. It is a thriller of the most pronounced kind which does not need any grewsome and ugly incline structure to give it effect. It is dangerous enough to satisfy the most morbid minded, while its spectacular beauty never fails to delight the fancy of the most delicate woman.

Prominent among other aerialists are the famous Alpine troupe, the Ortaney sisters, the Richards sisters, the two Franks, Fred Lasere, the La Fayette family, the Minerva sisters, the three Alvos, the Elliott family, the Flying Runions, the Eight Jerseens, and the famous Taylor-Hut tons. There are many more on the list. Each one of them a picked star performer. The same care has been exercised in the selection of the acrobats, the gymnasts, the jugglers, the equestrians and the hippodrome contestants.

Two Mi-o-na Tables Drive Away Distress from Stomach

Don't put off such an important matter as putting your stomach in condition. If it is weak get a box of Miona tablets and make it strong You take no risk when you buy a fifty cent box of Miona, because if it does not cure indigestion or any ailments arising from indigestion, your money will be returned by Piper Bros.

Try Mi-o-na stomach tablets for nervousness, sleeplessness, headache, dizziness, biliousness, inactive liver, foul breath, heaviness after eating, loss of appetite, sea or car sickness, vomiting of pregnancy and that all-gone feeling in the morning after the social session.

Running to Catch a Train

When you are in a hurry to catch a train you have not got time to sit in a restaurant and wait half an hour for a little lunch. Still you dislike boarding a train on an empty stomach. People here in Charleroi did not have such a place before and now they learn that they can get a meal on the fly by stopping at the Busy Bee Restaurant any hour day or night. It only takes a pair of minutes to get what you order at the Busy Bee Restaurant and the prices are very low. Specials every day. You are welcome. Come in. 228t6.
